The Original

Easy-Flo®

COST EFFECTIVE TOPDRESSING

"Only using what nature provides"™

What is Easy-Flo Compost?

A unique natural product derived from leaf and yard trimmings.

Cost Effective

- Pelletized for easy application
- Lower application rates
- Reduces labour costs
- Saves time and money
- Reduces handling, transportation and storage costs

Grow Better Turf

- Improves grass seed germination and establishment
- Free of weed seeds
- Improves water holding capacity and soil quality
- Improves drought tolerance
- Stimulates microbial activity
- Maximizes plant nutrient uptake
- Proven results – University tested

Application

- 20 kg / 108m² (44 lb / 1100 ft²)
- Apply twice a year in spring and fall
- For best results apply after aeration
- Apply after seeding
- Use as part of a complete fertility program
